

NEWS RELEASE  
14 January 2014

WORLDWIDE HEALTHCARE TRUST PLC (the “COMPANY”)

Non-Mainstream Pooled Product Rules

The Board confirms that the Company currently conducts its affairs so that its shares can be recommended by independent financial advisers (“IFAs”) to retail private investors in accordance with the Financial Conduct Authority’s (“FCA”) rules in relation to non-mainstream investment products and intends to continue to do so for the foreseeable future.

The Company’s shares are excluded from the FCA’s restrictions which apply to non-mainstream investment products because they are shares in a UK-listed investment trust.
